

Teton Food and Farm Coalition Meeting Minutes

24 April 2024

Participants:

- Jen Werlin
- Abby Grundler
- Will Weygint

Items

- Earth Day Event (Saturday April 20th)
 - o Tabling event went well – Adolfsen twins helped whole day
 - o Lots of questions about controlling weeds, voles
 - o Play went well ~20 youth participated, many people watched
 - o Received bag for gardening club from MD Nursery
- Food Waste Prevention
 - o Presented Food Waste curriculum to S.T.E.A.M. Club at end of March
 - o ~14 kids participated
 - o Discussed food waste and its environmental impact, watched several food waste videos, and began working on drawings for food waste Art Contest
 - o Thinking about food waste in personal lives and with 4-H programs (day camp, club meetings etc) - can we donate some of the unused food?
- Seed Sharing Event (Monday April 22nd)
 - o ~ 6 people participated, all shoots/starts were taken
 - o People interested in seed library
 - o Had many garden related questions for people
 - o Good that it went until 6:30 to have Jackson-commuters participate
 - o Interest shown in extension classes
 - o Any heirloom seed varieties can be in seed library, any open varieties can also be harvested (hybrids cannot be)
 - Extra seeds from 4-H gardening club will be donated to seed library
 - Can incorporate seed saving talk into garden day camp agenda
